This small estate is owned by Josephin and Jarkko Paränen and is located in Panzano in Chianti. The 2012 Circe (Petit Verdot and Merlot) reveals an inky and impenetrable appearance that shows the depth and concentration that can be achieved in the rolling hills of Tuscany. The wine is richly extracted and shows firm textural fiber that is built stronger, thanks to the black fruit and the oak tannins that support this big and far-reaching wine. A mere 900 bottles were produced. In fact, only three barrels were made.
